Arts & Sciences... a path to success

Make the most of your liberal arts education to clarify goals and achieve them

Your **Bryant Arts & Sciences** education and experience is highly valued by graduate schools and employers. Get involved early to clarify goals and determine your path. Figure out what makes YOU unique. Reflect your experiences in a resume, through LinkedIn, during an interview and with an online portfolio.

**Showcase your Bryant experiences such as:**

- Integration of liberal arts and business curriculum
- Close faculty relationships
- Majors/minors chosen to match your career interests
- Service learning
- Campus involvement
- Internships
- REDay research/presentations
- International study, work or travel
- Language fluency
- Athletics
- Technical skills, including social media savvy
- Gateway curriculum emphasizing: writing proficiency, critical thinking, cultural awareness, and ethical reasoning
- IDEA – project/team-based immersion

Your Bryant experience culminates into **transferable skills** (skills that can be transferred to an internship, full-time job or graduate school program) such as:

- Leadership
- Writing
- Presenting
- Problem solving
- Teamwork
- Planning
- Coordinating
- Analyzing
- Understanding cultural differences
- Organizing data
- Researching
- Thinking critically

**Take the following steps to get started:**

**FRESHMAN/SOPHOMORE YEAR:**

- Enroll in Career Planning 101, a five-session, non-credit course open to first-, second- and third-year students who are making choices about their major/concentration and are exploring career options. Students discover their interests, skills and values through comprehensive assessment tools.
- Explore options through the Shadow program, alumni panels/events and internship opportunities.
- Take advantage of as many of our services as you can! Don’t wait until Senior year.

**JUNIOR YEAR:**

- Schedule an appointment with the Amica Center for Career Education to discuss internships as well as career and graduate school opportunities.
- Prepare your search tools: resume, cover letter, LinkedIn profile, graduate school statement of purpose.

**SENIOR YEAR:**

- Finalize graduate applications, prepare for job interviews and more...
- Still figuring things out? That’s ok. Schedule an appointment with the Amica Center for Career Education.
